

Principal's Message

Our students play a very important role each day as they grow, learn and build those academic and personal skills necessary to be successful individuals.

We believe that mandatory uniforms, which began 08-09, encourages a greater sense of community among all students at Bay Point. We want all children at Bay Point to learn and reach their highest potential.

In this day and age our children are being bombarded with media, others' values, as they are striving to be a part of something. They want a sense of belonging with their peers. Soccer, basketball, cheerleading, dance, all require a uniform identifying them as a part of that group. It provides them with a visual sense of pride as well as having team member goals. Technology has created chat rooms, blogs, international groups, webkins, videogame rooms, etc. - all offering a sense of belonging or being a part of something in addition to family.

As parents we would like to influence our children's choices as they grow older and more independent. At school we want to develop those same senses of responsibility, goal setting, and membership. There are many things we do to develop that and uniforms are one way to visually send that message of being a community of learners.

"Teach their child to dress neatly and appropriately for school since it is a place to work and learn."

CODE OF STUDENT CONDUCT—DRESS CODE**

The dress and grooming of District students shall be neat and clean, promoting a positive educational environment. Apparel that disrupts educational activities and processes of the school will result in the removal of the student from the regular school environment until acceptable apparel can be secured for the student. The administration will be the final judge about whether a student's clothing is appropriate for school or whether it will create an environmental climate that is distracting to learning. Principals, faculty, and staff members will enforce the dress code. Failure to comply with the dress code will be handled similarly to other disciplinary infractions. Non-compliance may result in consequences including but not limited to detention, in-school suspension and loss of eligibility to participate in extracurricular activities.

Pursuant to F.S. 1006.07, wearing clothes that exposes underwear or body parts in an indecent or vulgar manner or that disrupts the learning environment will have the following specific consequences. In addition to these consequences, the violation shall be corrected before the student is allowed back in the regular school environment:

- A. For a first offense, a student shall be given a verbal warning and the school principal (or designee) shall call the student's parent or guardian.
- B. For a second offense, the student is ineligible to participate in any extracurricular activity for a period of time not to exceed 5 days and the school principal (or designee) shall meet with the student's parent or guardian.
- C. For a third or subsequent offense, a student shall receive an in-school suspension pursuant to F.S. 1003.01(5) for a period not to exceed 3 days, the student is ineligible to participate in any extracurricular activity for a period not to exceed 30 days, and the school principal (or designee) shall call the student's parent or guardian and send the parent or guardian a written letter regarding the student's in-school suspension and ineligibility to participate in extracurricular activities.

Individual schools may have additional dress and grooming requirements, if recommended by administrators, faculty, and staff, and if approved by a majority of School Advisory Council (SAC) members. Notice of amended requirements must be provided to all parents in a timely manner through at least one (1) written or verbal communication and published in a document, such as the school handbook or student planner.
