

Sunshine Math

Dear Bay Point Elementary Parents/Guardians,

Welcome to SUNSHINE MATH (formerly Math SuperStars), an at-home mathematics and problem solving enrichment program. This is a voluntary program offered to all students and is designed to enhance students' appreciation and knowledge of mathematics.

For 1st – 5th grade students, the program begins in October and runs for 20 weeks. For kindergarten students, the program begins in January and runs for 10 weeks. Participating students will receive worksheets weekly from their teachers and are asked to return them the following week.

Your role in Sunshine Math is to encourage and facilitate your child's problem solving skills. During the week, allow time for him or her to think about each problem. You may need to read the problem to your child, explaining any new words encountered. Encourage and support your child by discussing the steps needed to solve a problem, but please **DO NOT GIVE THE ANSWERS**. In order for this program to be effective, the students must do their own thinking. While the worksheets are graded, they are not part of your child's grade.

NEW!!! We are pleased to introduce a brand new incentive program. This year, students will be awarded points based on their efforts for which they can earn prizes periodically throughout the year.

- 40 points – Healthy snack
- 80 points – Sparkle pencil
- 120 points – Super stress ball
- 160 points – Light-up key chain
- 180 points – Mystery Show (April/May)

To enroll your child in the Sunshine Math program, please complete the form below and return it to your child's teacher by **September 23rd**. Thank you for allowing your child to embark on this mathematical adventure!

Sunshine Math Program Chair, Bay Point Elementary PTA (SunshineMath@bpepta.org)

Bay Point Elementary PTA – Sunshine Math Program Registration

Student Name _____

Grade _____ Teacher Name _____

_____ Yes! I am interested in being a volunteer grader. I will receive a notebook with answer sheets and instructions.

Parent Name _____
